 \*Please write your name on the back of the photo.

## Notes on using season pass

- Season tickets (IC cards) can only be used by the person in question; lift tickets (IC cards) cannot be used for resale, transfer, or counterfeiting
  - Season tickets (IC cards) are photographed each time you pass through the gate, and image authentication is performed.
  - \*If used by someone other than the person in question or used illegally, the season ticket will be invalidated and confiscated.
- In addition, you will be charged separately for the lift ticket fee for unauthorized use. Please note that you will be required to sign a consent form when applying.
- Customers who were weekday/spring season members last year are also eligible for a continuous discount.
  - Seniors are eligible for age 60 and older, and grand seniors are eligible for age 65 and older. (Including those who will reach the target age by May 6, 2025)
  - If you lose your season ticket, it can be reissued. (Fee: 5,000 yen)
  - Do not bend the season ticket (IC card), bring it close to magnetism, or leave it in a car or near a heater. The IC card may be damaged.
  - If the season ticket (IC card) is lost or damaged, the deposit will not be refunded.
  - Due to snow conditions and other circumstances, the period of use of the lifts and gondolas may change without notice, but there will be no refunds in such cases.
  - If you ski off-course or do not follow the rules of the ski resort, your ticket will be invalid and confiscated.
  - Season tickets (IC cards) cannot be canceled or refunded after purchase.
- Handling of personal information
- The personal information you provide will be used within the scope of Sapporo Resort Development Corporation's business activities (notifying you of special offers, etc.).
- Other handling will be disclosed to third parties without the provider's consent based on the Sapporo Resort Development Corporation Personal Information Protection Management Regulations.

Please read and agree to the above notes and sign in the field below.
